

## MARJA VAN PUTTEN

Marja van Putten is a contemporary critical painter, who connects paintings with other media: textile, c-prints, site-specific works.

She organizes art projects like Schwarzmalen.nl and digt-paint.nl.

She publishes her own Magazine 'MARI/JA'.

Besides her art practice, she owns a company for webdesign & grafic design, Arttrust.

She is the initiator and member of the board in the Foundation DKB, Stichting Digitaal KunstBeheer, which aims the digital preservation of oeuvres from artists that passed away. They also offer services for relatives.

She is an assistant for more than 20 years for the sculptures of Armando including huge size bronze sculptures, who just died 1 july 2018.
